

- Drafted reports and communicated findings to non-quantitative audiences within BIPOC-, queer-, and women-led organizations

2022-23

Evaluation Strategist
Korwin Consulting, Remote

- Managed an evaluation team for projects with gender-justice clients
- Coordinated primary data collection through surveys, interviews, and focus groups to understand the effectiveness of clients' programs
- Identified areas of growth within clients' organizations to create more effective programming both internally and externally
- Developed movement strategies to help clients better achieve their goals, for example, training young women and gender-expansive people to get jobs in the policy world

2013-15

Senior Research Associate
Office of Research, Accountability, and Data
New York City Department of Education, New York, NY

- Designed statistical methodology and outcome metrics to identify relationships between student performance and school quality in high schools for overage students
- Measured the impact of evaluation methodologies on current school performance
- Analyzed historical data to pinpoint high-performing and struggling schools
- Collaborated with external stakeholders to develop school performance reports for public launch
- Organized speaker series on topics regarding education, LGBTQ youth, and social inequality

2012-13

Analyst
Health Economics and Outcomes Research
Analysis Group, New York, NY

- Developed marketing strategies for clients based on cost-effectiveness analyses of new pharmaceutical therapies
- Formulated and delivered policy and research recommendations for client's pipeline drugs based on cost analyses
- Conducted targeted literature reviews and assessed international cost of illness using large insurance claim databases
- Designed and executed questionnaires based on literature reviews

2008-10

Legal Assistant
Immigrants' Rights and National Security Projects
American Civil Liberties Union, New York, NY

- Organized data with thousands of observations on prolonged and indefinite detention
- Managed a team of interns for data collection, analysis, and cite-checking of legal research
